PREFACE

There were a few questions left unanswered on the functioning of the Constitution of the United Kingdom that needed to be explored through communications. These were progressed and narrated in this section of the book under the theme 'The Allurement of Reality'.

Central London County Court

Your Honour

I had drawn a line under this saga but for the following email that I have just received in relation to the futile search for a Law Firm that I needed to chase up the Appeal on Claim E35YM660 at the Central London County Court as linked here:

LEGAL ADVICE AND REPRESENTATION ON CLAIM E35YM660 OF THE CENTRAL LONDON COUNTY COURT (knowledgeassessmentanddissemination.com)

<https://www.knowledgeassessmentanddissemination.com/post/legal-advice-and-representation-on-claim-e35ym660-of-the-central-london-county-court>

The State authorities has once again got the Samaritans to write to me when the Parliamentary and Health ~Service Ombudsman showed no inclination to do the right thing and reply to the email that I had sent it in connection with the attached application: NHS Complaint Form printable.pdf: please refer to the following link The Samaritans, Parliamentary and Health Service Ombudsman and GP Surgery (knowledgeassessmentanddissemination.com)

<https://www.knowledgeassessmentanddissemination.com/post/the-samaritans-parliamentary-and-health-service-ombudsman-and-gp-surgery>

It is not right for a citizen to pay £100 in Court Fee for the referred to appeal and see no progress in the Hearing of the Claim which seeks £5 million in damages and compensation. The email from the Samaritans is the State using the back door to get me back under the clutches of Britton House to cover up its criminality in relation to whether I am sane individual or indeed am mentally disturbed to the extent that I have paranoid schizophrenia with persistent delusional disorders or Bipolar with delusions or autism or personality disorder all of which I dispute.

I am not frustrated; I accept the judgment of the Court that the Prime Minister of the United Kingdom and the Chief Constable of Police forces cannot be litigated against in our Constitution if you say so in clear written words.

Please let me know your latest deliberations on the matter so that I can take stock and chart my way forwards accordingly.

Yours sincerely

No

Did the organisation miss any issues you raised in your complaint?

Yes

What?

I have been complaining to the Surgeries (former Wigmore Medical Centre) that It needs to provide me with full written reasons as to why I am diagnosed with paranoid schizophrenia, persistent delusional disorders, and now Bipolar. They are keeping silent.

Summary of Complaint

I have been Mental Health Care for diagnosis and treatment for over 20 years, having been sectioned twice and said to be suffering from persistent delusional disorder first. Then Britton House and its older Team decided that I had paranoid schizophrenia. On 9 September I received a letter in the post that I had Bipolar and delusional disorder. For paranoid schizophrenia I was prescribed risperidone 4 mg, sertraline 150 mg and Depakote 1000 mg but on receipt of this letter stating that I had Bipolar and not what was formerly diagnosed, my medications have not been changed to reflect that. I asked the Long Catlis Surgery why it had changed the diagnosis and asked it to provide me with their letter of referral to Britton House which had resulted in this communication from Britton House. The Surgery just said that my complaint had been sent to the relevant clinician, but despite this week being told that the GP would take action on it. Nothing took place.

For the record, I am neither paranoid schizophrenic with persistent delusional disorder nor am I Bipolar with delusional disorder. I consider myself to be the sanest person on Earth.

How you or the person you are complaining on behalf of has been affected

My employability in professional scientific careers have been shattered by these continuous incorrect diagnosis and treatment imposed on me for the past 20 years and is still continuing behind secrecy of operation at Long Catlis Road Surgery and Britton House. They are preventing me from having a face-to-face appointment with a fresh new Consultant Psychiatrist at Britton House to examine me.

What you are hoping we can achieve for you

I would like a second opinion on my mental condition as it is presently reflected from a face-to-face appointment.

Mediation

Is this something you are willing to do?

Yes

Will you be sending in your documents separately?

I would like the Ombudsman to look at my complaint.

I agree to share all the relevant evidence, including medical records, so that you can investigate this complaint under the Health Service Commissioners Act 1993

To the best of my knowledge, everything I have told you is correct

I understand that, to help resolve my complaint, you will need to use and keep personal information about me – for example, how to contact me and details about my complaint and sometimes sensitive personal information.

I understand that this might include collecting information about me from the organisation I've complained about and possibly sharing information with other parties – for example, others that may have been involved in my complaint.

I agree with the declaration. Please look at my complaint.

Please look at the complaint submitted on behalf of the person named in the "About the person you are making the complaint for" section. I have their written consent to complain on their behalf.

They have agreed that you can get all the relevant papers, including medical records, so that you can investigate this complaint under the Health Service Commissioners Act 1993.

They understand that this may mean that I am able to see personal information that you get for the investigation. Date submitted 09/10/2022

The Samaritans

Dear Jo

It will not be necessary for me to complain to anyone about the Samaritans now that I know how the State of the United Kingdom works in terms of its operations to smooth the passage of proceedings through the various institutions of the State, as attached:

ToCentLonCtyCrt(SamaritansInterventions)E35YM660)15Oct2022.docx.

I should therefore address your kind email directly: These matters are highly complicated and cannot be assessed by anyone in Britton House but for the need to have the proceedings ending, I look to my GP Surgery providing me with a Report on the complaint that I filed with the Parliamentary and Health Service Ombudsman in accordance with its telephone call to me yesterday that the reports from Long Catlis Road GP Surgery and Britton House are required before a mediation or face to face appointment can be arranged by the PHSO. That is how the matter should be dealt with: that is due process so that individuals or institutions cannot cover up their past mistakes or incompetence. If they did not understand my mental condition correctly then the PHSO should adjudicate

I have nothing to hide for I am an open person who believes that all matters should be dealt with in an open transparent manner that is the best way forward. I do not play tactical manoeuvrings but as Brahman do what is right and deal with matters promptly as you would note from the attachment.

Criminal anonymous emails were sent to me and continued through to this weekend, as attached: FrCriminalAnonymous(BenjaminParkinson)14Oct2022.docs, to make my life miserable: Some one has to be held to account for these torture. I am therefore copying this email widely so that some one can take a brave stand against the perpetrators of Hate Crime against me for which me and my family have suffered for over 25 years.

I hope you will agree with this and let me know your views today.

Yours sincerely

To Mr Benjamin Parkinson, Senior Legal Adviser, HMCTS
 Surrey & Sussex Legal Team

Dear Sir

Refer your useless email to me sent on Monday at 11.22 am.

Ever since the Anti-Defamation League, after some mixup, added me without my prior permission to their public list of Anti-Semites, I have on principle refused to have any dealings with Jews.

It is bad enough that HMCTS has so many moronic Muslims with whom I am compelled to deal in my quest for justice and clarification of the unwritten constitution of this country of morons in a police state. This could be the straw that broke the Chaldean back, so please without further procrastination reply -

are you a dirty Jew?

A small act of reparation would be if you could get Notice of Intended Prosecution Number 0463140442065920 cancelled on the grounds of the mental state of my wife who is the registered keeper and was the driver of the vehicle on the northbound A229 in the morning of October 5 2022 and who due to a mistake with multiple email addresses sent in the 172 form mistakenly naming me as the driver. I will appreciate this as a gesture of magnanimity on your part.

Is that understood?

As we are the final stage for unresolved complaints, we usually expect you to complain to the organisation you are unhappy with first. This is so that it has the chance to look into your concerns and, where needed, put things right for you. For further information please visit <https://www.ombudsman.org.uk/making-complaint/before-you-come-to-us>

What happens next?

If you have an existing case with us, your email will be added to your case and your caseworker will be in contact with you in due course.

If this is the first time you are contacting us, one of our Intake Caseworkers will take a look at your complaint.

If you have completed the organisation's complaints process and would like us to consider your complaint, we will need the following:

- A completed complaint form. If you have not sent us one, you can complete the NHS form online <https://ombudsman.achieveservice.com/module/home?>, or you can find our Parliamentary and Health forms (including large print format) on our website: Complaint forms | Parliamentary and Health Service Ombudsman (PHSO) <https://www.ombudsman.org.uk/making-complaint/complain-us-getting-started/complaint-forms>

- The complaint made to the organisation (any letters, emails or complaints forms submitted for the complaint).

- The complaint response(s) from the organisation including the final response and any other correspondence relating to the complaint.

You can email these, or post them to PHSO, Citygate, 47-51 Mosely Street, Manchester M2 3HQ.

Please do not send originals.

We will not usually be able to progress your complaint until you provide us with this information. Once we have received your completed form, we aim to get back to you within 14 days to explain what will happen next.

What to do if you cannot complete the complaint form?

You can contact us on 0345 015 4033 for extra support if you need help with filling in forms, need a different format such as Braille or if you need any further adjustments to help you get your complaint to us. We can also provide paper copies of the form.

I am perfectly Brahman

in Spirituality

<https://www.knowledgeforworldconservation.com/forum/spirituality/i-am-perfectly-brahman>

I am perfectly Brahman: who is there to judge me!

As to who said that, it is Purushottama (Self) whose atman=Brahman. The person is already 'dead' in Samadhi. It is way past knowledge. So there is nothing to question in Self.

I am the Reality, I am the Truth, I am the eternal source and cause of Creation: Aham Brahmasmi.

One does Dharma so long as one is within a mind in consciousness. Once one leaves the mind as an entity of the past there is no Dharma or karma. There is only the dawning of truth.

Truth is the manifestation of Reality, the ultimate and absolute Reality being Brahman: get with It.

Advaita to me means living in all stages and levels of reality treating all the different aspects as one single reality: this being is termed Vishista-advaita Vedanta.

Last Updated: 12.19 pm (UK-Time) 15 October 2022

Reacting to a post in Facebook:

Knowledge of Brahman is so intensely fascinating that it is the be-all and end-all of existence. One needs to experience Reality in all its dimensions to get to realise what lies beyond simple existence of the body-brain-mind complex in order to appreciate what I know is fascinating complexities of the mental faculties that one potentially possesses and through further exploration see that it is part of a Grand Design to be individually fathomed. It is not for communal appreciation. Being Brahman has tremendous practical significance in conducting oneself during one's life for it is truth and truth is all powerful in combatting the elements of Brahma-Nature that threaten survival in the dignity of liberty. In Brahman, the Self operates nonchalantly, spontaneously and unpremeditatedly without aims, ambitions, missions, plans, objectives, expectations, anticipations, hopes, wishes, desires and the ego (the most self-destructive part of existence). When one transcends the mind into the mental faculty of the atman, one attains freedom, liberation and total peace of mind, even bliss, and such is the confidence with which one goes about one's life that one is unperturbed by the events that cause suffering in others concerned with the mundane existence. One has peace of mind.

The Self is the spokesperson for Brahman.

Brahman knowledge is fascinating

Dear Sam

It would appear from what you have written that Kent Police has decided that I should have to pay the £100 fixed penalty fine for the Speeding matter instead of attending a Speed Awareness Course as set out in my liability form. If this is truly your decision, I will appeal against it.

On the issue of the Custody matter, I look forward to Professional Standards Department of Kent Police to complete its investigation of the highly irregular procedures adopted by your Duty officers in response to my Defence document that is attached: DEFENCE STATEMENT ON HARASSMENT OFFENCE.docx.

Both these issues are part of the incompetence of Kent Police to deal with the Hate Crime perpetrated on me over the past two decades and I intend to defend any charges levelled against me in a Court of Law on the basis of the linked articles: Running Commentary on Legal Proceedings: 07.57 am (UK-Time) 15 October 2022 (knowledgeassessmentanddissemination.com)

3. I have not sent any emails that has harassed anyone from my Shanpanigrahi3000@gmail.com account: hundreds appear to have been sent to people involved with the organisation Victims of Panigrahi Association but clearly my Shanpanigrahi3000@gmail.com account was highjacked to get me into legal difficulties with the Central London County Court in respect of Claim E35YM660.
4. My shanpanigrahi@yahoo.co.uk was bastardised by trolls and criminals so I could not send out any emails from this Account and had to abandon it a year ago. Any emails sent from this account was done by Victims of Panigrahi Association associated trolls and criminals.
5. All my purposeful emails and I have sent out thousands over the past 20 years were legitimate court-associated legal proceedings in relation to ME010463, ME002953, HQ17X01773, and E35YM660.
6. Whenever a particular recipient of an email from me asked me not to send them any emails, I complied with the request unless court proceedings became prejudiced from my inaction.
7. Since I started my E35YM660 Claim against the Prime Minister and Victims of Panigrahi Association for its criminal anonymous emails to me notably from Sivaji Panesar, Marty Caine, Nitin Bhardwaj, Fritz Wueller, Cherie, Egregious_C, and others like Ed Mulhouse and Monneka Tahir, there was a systematic attempt to have me booted out of this country to places like Pakistan, because I was bringing Kent Police in a £5 million pound damages and compensation Claim in the High Court Queens Bench Division and brought the Crown Prosecution Service to East Kent Magistrates Court on a criminal charge of perverting the course of justice and obstructing justice. That is why I considered that the UK State through its Security Services had wanted to frame charges against me of forensic or criminal nature to have me incarcerated in a mental hospital for a third time or worse to get me committed to a Trial that the County Court in Central London arranged in a Pre-Trial Hearing but I was exonerated. I told my Consultant Psychiatrist that come what may I will never leave the United Kingdom, and this is the reason that Kent Police is charging me with a concocted summons for Harassment that is not specified to leave the State room for elaboration later. This is done to protect the Central London County Court from having to pass judgment or Order to my Appeal Application which the Court would have to justify that the University of Greenwich was lawful in withholding my £55,000 severance payment.

Dear Sam

It would appear from what you have written that Kent Police has decided that I should have to pay the £100 fixed penalty fine for the Speeding matter instead of attending a Speed Awareness Course as set out in my liability form. If this is truly your decision, I will appeal against it.

On the issue of the Custody matter, I look forward to Professional Standards Department of Kent Police is complete its investigation of the highly irregular procedures adopted by your Duty officers in response to my Defence document that is attached: DEFENCE STATEMENT ON HARASSMENT OFFENCE.docx.

Both these issues are part of the incompetence of Kent Police to deal with the Hate Crime perpetrated on me over the past two decades and I intend to defend any charges levelled against me in a Court of Law on the basis of the linked articles: Running Commentary on Legal Proceedings: 07.57 am (UK-Time) 15 October 2022 (knowledgeassessmentanddissemination.com)

1. Nothing came from the Medway County Court by the 5.00 pm deadline. So I am assuming that the application for Injunction against Kent Police that I applied for has failed to be endorsed. I am therefore writing to you to find out Kent Police now does by way of proceeding with its investigation of whether I had harassed and stalked Katrina Sale and if and when I could be charged with that offence that I am suspected of. As you are aware the harassment issue is now combined with the referral of BLM law-associated staff harassment that I referred to Kent Police through your good self for a combined investigation of the matter.

2. I would be grateful for confirmation from Kent Police that you have now resumed the investigation on the basis of the arguments that I have exchanged with the Medway County Court and BLM solicitors over the past 24 yours, as follows:

I understand what you have said, but I need to move on to other sources of income having waited 24 wasted years trying to secure my severance payment from the University of Greenwich of £55,000.

Today, 12.00 noon passed by and there are still 4 hours until the 5.00 pm deadline that I set Medway County Court to update me on the Direction of the proceedings under ME00ME372 or the Summary Judgment that I sought as Default Judgment or the Summary Judgment that the Defendant applied for under Application Notice to strike out the Claimant's Injunction and/or Money Claim. So I published the Court's email for all it may concern, tweeting, Facebooking and Posting it on LinkedIn to spread the news widely, to acknowledge it and to draw a line under the J00ME372 proceedings unless something comes from the Court again by 5.00 on this Friday. As you may realise, I do not

Dear Ms Scanlan

1. The reason that I wrote to the Medway County Court this morning and not BLM Solicitors is that BLM Law is under Police investigation that is being monitored by DS Seamark of Kent Police to whom I reported your criminal activities against me. You say it is spurious that I should have asked for judgement by close of play today on the basis of documentation that you have just raised which are part of that investigation of your suitability to hold the necessary professional ethics to do the work of a Law Firm which includes false pretences, perjury and conspiring with court officials in Medway County Court and the Supreme Court of the United Kingdom. You were told by me to recuse yourself from these proceedings yet after the day has gone during which Medway County Court had kept silent to confirm my uptodate analysis you have sent the Court this email and informed the court that you have copied the email to the Claimant so that the Court in your type of crime of perverting the course of justice and obstructing justice is spared of the need to send me copies of the documents that you have filed to the Court. This is because the Court does not wish to have my application go through the normal judicial processes of any civilised State. The following section from my latest book Hindu-Spirituality condensed that you may have read, but if not I am hereby bringing it to the attention of all whom this matter may concern, is as follows:

Update:

No emails came this afternoon from anywhere, nor did the telephone ring as I was expecting for example from Vicky Randall of MEGAN CIC. It is all over with. I have proven that the Police are above the law and can do whatever they like in terms of their policing methods in this country in the current Constitution as interpreted by the State establishment. Kent Police can keep our desktop computer, my USB Memory Stick, Amazon Fire tablet and old Mobile phone and keep me under investigation for as long as they like. They do not answer to courts in civil litigation claims. The

Establishment wanted it hidden, so they tried all tactics to put on the façade of civility that has any human rights and civil rights that they should be subjected. The Medway County Court did not reply to any of my emails. The Queen's Bench Division of the High Court in the first instance struck out the Claim for money redress for its policing without providing the full written reasons for its decision. The matter could not be Appealed to a higher court. Even Judicial Review in the High Court to all my litigation and appeals failed both against Kent Police, against the University of Greenwich, and the Prime Minister of the country. The injunction was applied for and no decision has been made. The tried all kinds of means since 2017 to have me booted out of the country or placed once again in a mental hospital or worse in a prison cell to shut me up. Lately, their lawyers to prevent the need for the Medway County Court to write to me on the progress of J00ME372 (Injunction and Money Claims) first tried to have it struck out with summary judgment, but I acted swiftly applying for a Hearing to consider the application. The Court did not reply. So the State got its law firm to frame further allegation of harassment on its staff using set-up evidence of criminal anonymous emails. I tackled it by referring the law firm to the Solicitors Regulation Authority to order the firm to recuse itself from J00ME372 proceedings. This morning the Pro-action protocol and Solicitors Regulation Authority referral as well as the Mental Health referral was once again pressed for through a criminal anonymous email, and Solicitor Regulation Authority wanted me to contact it. I promptly applied for default Judgment today. So they were cornered, with no escape route but to have had its façade of civility exposed. It is a dictatorial monarch as one of my books had been written to be the Constitution of the United Kingdom.

2. Incidentally, there was an error in the date (30 May 2022, not 30 June 2022) by which the Defendant (Kent Police as the Injunction document clearly states in the top right-hand box, and the Money claims N1 Form; and not the Chief Constable personally for obvious reasons that Kent Police is an agency of the State Establishment which organised my persecution over the past 24 years) was required to file Defence. to the Court copied to me. So the Medway County Court will be allowed one more day to clarify what its position is and no more than that. The Court has to send me an email by 12.00 noon tomorrow 10 June 2022 for a decision. I will never attend any Hearing at any of Her Majesty's Court and Tribunal Centre, let that be known to the District Judge that you now seek to awaken out of the sleep he has been in two months on the Injunction especially. To add to the co-conspirators in the Claim Form I now include the Solicitors Regulation Authority.

Yours sincerely

This is untrue. As the court is aware, we filed AOS and Notice of Acting on 19 May 2022.

The same was served on the claimant under cover of our letter dated 19 May 2022. The claimant acknowledged receipt of our letter in an email dated 23 May 2022 and in fact attached a copy of the AOS to this email. We attach the same for the court's attention.

In the circumstances the claimant's request for judgment in default is entirely spurious.

Should the claimant's email below be referred to a district judge, we would kindly ask that this email also be drawn to the district judge's attention.

The court will further be aware the defendant has filed an application to strike out and/or for summary judgement, a copy of which was served on the claimant. We are currently waiting to receive a hearing date for this application.

The claimant is copied into this email.

Dear Ms Scanlon

In the past 10 minutes I have received your letter dated 19 May 2022 together with the Acknowledgment of Service as attached: Document_2022-05-23_103608.pdf in relation to the Injunction and Claim Form that I received from Medway County Court as attached: Document_2022-05-13_1520026.pdf

I wish to draw your attention to the anomaly at an early stage so that we may be able to come to a common understanding of the procedures that will be necessary for me to formulate the full particulars of Claim that the Claim Form states are to follow. Not knowing that I would receive an acknowledgment of service I had posted the following blogpost to bring to the attention of all those parties named as co-conspirators to Kent Police but not named as Defendants in the Claim Form due to lack of space in the Form and because when I submitted my Claim I was not sure whether the Medway County Court has jurisdiction to hear the matter. Running Commentary on Legal Proceedings (J00ME372) 9.09 am (UK-Time) Update (knowledgeassessmentanddissemination.com). I would accordingly be grateful if you would let me know if the Chief Constable has any objections to what is suggested in the Particulars of Claim as currently developed.

As regards the Injunction matter, kindly forward me the Summary of indicating offence that the Chief Constable has been investigating me for since 15 September 2021 and following my arrest on 24 November 2021, together with the Crime Reference Number to the matter, and what its future plans are as whether the matter has been referred to the Crown Prosecution Service by Kent Police. In either event, I need by email all the 30 odd Katrina Sale malicious emails that I was investigated for in terms of harassment and stalking in relation to the document issued to me on the latter date, as attached: NorthKentPoliceReleaseWithoutBail.pdf'

I thank you in advance for your cooperation in identifying whether it was M15 that Kent Police was acting as an agent for over the 24 years of torture and victimisation that I have been subjected to as the alleged Hate Crime cited in the Injunction application document.

It sounds so painful for you to have to deal with the history of you and your family being made victims of hate crime. From your past emails your life over years has been a real roller coaster where you have had to deal with one difficulty after another.

Shantanu your messages are read and responded to with real care from people who want to support you.

At 10.02 a text message came from Barclays Bank: 'Hi, we need to confirm some recent spend on your debit card ending 4012. Please reply to messages from 60221. Before you do STOP & THINK SCAM. Genuine organisations will never call you, to say what answers you should send for these fraud checks. If you have had such a call, it might be a scam. Your Barclays Team'.

A second message came in text from Barclays from 60221: '£99.99 at McAfee.com CS312677440 was DECLINED. If you made all the payments above please reply Y, if there are any that you didn't make please reply N. The letter after any of your payments means it's been declined. Your Barclays Team'.

Then at 11.13 am a text came 'Voicemail message received at 10.18 on 17 Oct. Duration 53 sec. Click of call 22201 to hear this message at your normal call rate'. The Barclays Bank had tried to speak to me from 0333 045 6005. The Voicemail said it was from Barclays Bank Fraud Department and wanted me to call the following number to speak to someone at the Bank. 03330456005' I deleted the Voicemail message because I have not received the replacement debit card and have no debit card with the number ending in 4012. It is the State setting me up in a trap for the stuffing that I gave the Medway County Court and the Central London County Court this morning to which there has been no reply. There has to be a Court Hearing wherever that takes place for Kent Police cannot dispose off the Arrest matter without a Hearing now, and the same applies to the Speeding allegation. A Court Hearing must take place to exonerate me and secure damages and compensation, or everything will be in the Court of Public Opinion in Books and websites.

Thanks for your application for our Trading Assistant role.

We're sorry to say that your application hasn't been successful this time around. While you had some of the skills and experience we're looking for, there were other candidates who were a closer match.

If you'd like feedback on your interview, please get in contact with someone in the location you interviewed at.

One small ask from us - we're big on candidate feedback, and we'd love to hear your thoughts on our recruitment process. If you can fill out a short survey here you'll be helping us create a better experience for other applicants in the future. All your responses will be kept anonymous.

Remember, we've always got new opportunities coming up, so it's worth checking our website from time to time. To make our process fair for all our candidates, please wait six months before applying again for the same role.

Thanks again for taking the time to apply and good luck in your job search.

Hello Jo

The times seem to be getting from worse to a desperate situation for me and my wife here in this country as the following email would show: The Orthopaedic doctor had promised my wife that he would be contacting her later during the week when she had her first assessment appointment and had said the it would be Dr Rafiq of Spire Alexandra who would be in the Team at the NHS that would come up with the recommended treatment. That was two weeks ago, and no contact was

made by the doctors. To make matters worse, my wife had a telephone call from her Wigmore Medical Centre practice Dr Reema Patel who did not even know why she is taking the pain killer Naproxen. She has never in the past 6 months had a face to face appointment with her GP, And now that the NHS is doing something but nothing concrete she fears she may lose her appointment of 2 November 2022 at Cranbrook Benenden Hospital for her spinal and back orthopaedic injury or disorder. My wife wrote to Spire Alexandra following her last appointment asking for clarification on Scoliosis and other terms used in Dr Rafiq's Report a month has gone by and no reply has been received. She fears she cannot wait till 2 November and may need to go into a Care home soon, or go to Switzerland to terminate her life such is the agony she is suffering with her back problem.

For years I had been complaining to everyone that we as a family are being victimised by the State in our medical and legal matters, which my wife always had told me was a symptom of my mental illness but now even she is saying that it seems her treatment is being blocked by powers that are hidden in secrecy. This is all the direct persecution that she and I have been victimised with over the years with criminal anonymous emails.

With the finances getting what it is we cannot even go to India for my wife's treatment that our relatives are asking us to do for Rashmi.

So things are getting worse, not better for me and my family, and I need to see doctor for a face-to-face appointment except that my GP Surgery is not writing the letter of referral revised to take the following developments into account in the email below.

Hope you are keeping well and thank you for listening and caring so much.

One small ask from us - we're big on candidate feedback, and we'd love to hear your thoughts on our recruitment process. If you can fill out a short survey here you'll be helping us create a better experience for other applicants in the future. All your responses will be kept anonymous.

Remember, we've always got new opportunities coming up, so it's worth checking our website from time to time. To make our process fair for all our candidates, please wait six months before applying again for the same role.

Dear Sirs Since I have not received a reply from Medway County Court or the Central London County Court to the following submission, it is right and proper that I should bring this to your attention so that you may take the appropriate actions. In connection with this kindly take the following communications from Barclays Bank this morning into account:

At 10.02 a text message came from Barclays Bank: 'Hi, we need to confirm some recent spend on your debit card ending 4012. Please reply to messages from 60221. Before you do STOP & THINK SCAM. Genuine organisations will never call you, to say what answers you should send for these fraud checks. If you have had such a call, it might be a scam. Your Barlays Team'.

A second message came in text from Barclays from 60221: '£99.99 at McAfee.com CS312677440 was DECLINED. If you made all the payments above please reply Y, if there are any that you didn't make please reply N. The letter after any of your payments means it's been declined. Your Barclay Team'.

Then at 11.13 am a text came 'Voicemail message received at 10.18 on 17 Oct. Duration 53 sec. Click of call 22201 to hear this message at your normal call rate'. The Barclays Bank had tried to speak to me from 0333 045 6005. The Voicemail said it was from Barclays Bank Fraud Department and wanted me to call the following number to speak to someone at the Bank.03330456005' I deleted the Voicemail message because I have not received the replacement debit card and have no debit card with the number ending in 4012. It is the State setting me up in a trap for the stuffing that I gave

the Medway County Court and the Central London County Court this morning to which there has been no reply. There has to be a Court Hearing wherever that takes place for Kent Police cannot dispose off the Arrest matter without a Hearing now, and the same applies to the Speeding allegation. A Court Hearing must take place to exonerate me and secure damages and compensation, or everything will be in the Court of Public Opinion in Books and websites.

Yours sincerely

PLEASE NOTE: WE ARE CURRENTLY EXPERIENCING DELAYS, WHICH ARE AFFECTING THE DELIVERY OF COURT BUSINESS. HMCTS ARE WORKING HARD TO REDUCE THE BACKLOG AS QUICKLY AS POSSIBLE. THE FOLLOWING GUIDANCE IS IN PLACE IF YOUR QUERY REFERS TO ANY OF THE MATTERS DETAILED BELOW:

I AM WAITING FOR A COURT ORDER/ APPLICATION/ MY CASE TO BE LISTED

We are unable to respond to email chasing Orders or hearing dates. We are working hard in the court office to deal with relisting hearings and urgent matters. We are achieving this by focusing all of our available resources on these tasks rather than responding to follow up correspondence. We thank you for your patience, at this time. Unless your matter is considered urgent, there may be a delay in dealing with it, however, please be assured that we are dedicated to get everything dealt with as quickly as possible.

HEARING NOTICES

If you are waiting for a hearing notice, it will be sent to you either by post, email or via DX. This will depend on the type of the case as well as the contact information that we hold on the file. Please do not request a duplicate copy if you haven't received a copy of your hearing notice.

MY EMAIL HASN'T BEEN RESPONDED TO

We are dealing with a high volume of emails. To be able to provide as many of our customers with a response as possible, we kindly ask that you please limit your correspondence to urgent matters only or documents for hearings. We cannot at this time deal with general correspondence and would request that you do not copy the court into correspondence between parties. All incoming emailed correspondence will be reviewed; however we are only able to answer the most urgent queries at this time.

Most general queries can be answered by checking the .gov website.

FAMILY NON MOLESTATION APPLICATIONS

Family injunction applications will be actioned as soon as possible. If you have immediate concerns for your safety, then you should phone 999.

DO NOT REPLY

Thank you for your email. This Automated Response confirms that we have received it.

If you are getting in touch about an upcoming hearing date or something urgent, we will reply as soon as we can. If you've not done so already, please supply us with your contact details so we can get back to you easily.

If it is about something else, we will try to reply to your email within 10 working days. We may take longer to reply to you.

Please ensure you inform the Court of any changes to your contact details.

Q. I have to attend a hearing but I have developed COVID symptoms what should I do?

1. You must not attend our building if you have:

Coronavirus symptoms

tested positive or awaiting a result

been told to self-isolate

Even if you have emailed us and not heard back from us yet.

2. You must make contact with the court / tribunal as soon as possible. A Judge will decide how to proceed.

Show original message

We'll send you an email letting you know what that decision is and what to do next. The email will confirm if:

your hearing will be by video or phone. We'll send instructions on how to join

you've been given a new hearing date.

Please be patient while we do this and avoid making contact if you can.

As we are the final stage for unresolved complaints, we usually expect you to complain to the organisation you are unhappy with first. This is so that it has the chance to look into your concerns and, where needed, put things right for you. For further information please visit <https://www.ombudsman.org.uk/making-complaint/before-you-come-to-us>

What happens next?

If you have an existing case with us, your email will be added to your case and your caseworker will be in contact with you in due course.

If this is the first time you are contacting us, one of our Intake Caseworkers will take a look at your complaint.

If you have completed the organisation's complaints process and would like us to consider your complaint, we will need the following:

- A completed complaint form. If you have not sent us one, you can complete the NHS form online <https://ombudsman.achieveservice.com/module/home?>, or you can find our Parliamentary and Health forms (including large print format) on our website: Complaint forms | Parliamentary and Health Service Ombudsman (PHSO) <https://www.ombudsman.org.uk/making-complaint/complain-us-getting-started/complaint-forms>

- The complaint made to the organisation (any letters, emails or complaints forms submitted for the complaint).

- The complaint response(s) from the organisation including the final response and any other correspondence relating to the complaint.

You can email these, or post them to PHSO, Citygate, 47-51 Mosely Street, Manchester M2 3HQ. Please do not send originals.

We will not usually be able to progress your complaint until you provide us with this information. Once we have received your completed form, we aim to get back to you within 14 days to explain what will happen next.

What to do if you cannot complete the complaint form?

You can contact us on 0345 015 4033 for extra support if you need help with filling in forms, need a different format such as Braille or if you need any further adjustments to help you get your complaint to us. We can also provide paper copies of the form.

If you have any questions or would find it helpful to speak with us in the meantime, please call us on 0345 015 4033. Our opening hours are Monday to Thursday 8.30am to 5.00pm, Friday 8.30am to 12pm

You can find more information on our website <http://www.ombudsman.org.uk>

Dear Sirs

I am following up the advice from the Parliamentary and Health Service Ombudsman on the attached complaint that requires resolution: NHS Complaint form printable.pdf.

The PHSO requires the Long Catlis Road and Britton House to submit to me or both me and the PHSO simultaneously their reports on this complaint and how you both intend to resolve the issues that I have raised.

I should be most grateful for your kind attention.

Yours sincerely

As we are the final stage for unresolved complaints, we usually expect you to complain to the organisation you are unhappy with first. This is so that it has the chance to look into your concerns and, where needed, put things right for you. For further information please visit <https://www.ombudsman.org.uk/making-complaint/before-you-come-to-us>

What happens next?

If you have an existing case with us, your email will be added to your case and your caseworker will be in contact with you in due course.

If this is the first time you are contacting us, one of our Intake Caseworkers will take a look at your complaint.

If you have completed the organisation's complaints process and would like us to consider your complaint, we will need the following:

- A completed complaint form. If you have not sent us one, you can complete the NHS form online <https://ombudsman.achieveservice.com/module/home?> , or you can find our Parliamentary and Health forms (including large print format) on our website: Complaint forms | Parliamentary and Health Service Ombudsman (PHSO) <https://www.ombudsman.org.uk/making-complaint/complain-us-getting-started/complaint-forms>

-The complaint made to the organisation (any letters, emails or complaints forms submitted for the complaint).

-The complaint response(s) from the organisation including the final response and any other correspondence relating to the complaint.

You can email these, or post them to PHSO, Citygate, 47-51 Mosely Street, Manchester M2 3HQ. Please do not send originals.

We will not usually be able to progress your complaint until you provide us with this information. Once we have received your completed form, we aim to get back to you within 14 days to explain what will happen next.

What to do if you cannot complete the complaint form?

You can contact us on 0345 015 4033 for extra support if you need help with filling in forms, need a different format such as Braille or if you need any further adjustments to help you get your complaint to us. We can also provide paper copies of the form.

If you have any questions or would find it helpful to speak with us in the meantime, please call us on 0345 015 4033. Our opening hours are Monday to Thursday 8.30am to 5.00pm, Friday 8.30am to 12pm

You can find more information on our website <http://www.ombudsman.org.uk>

Posted the email to the Surgery, KMPT and Parliamentary and Health Service Ombudsman in Daily Bulletin tweeting, facebooking and posting it on LinkedIn:

Done this to keep my options open: as a Hearing is in my interests now in whichever Court the State decides, if for example Kent Police decide to charge me:
